

Meteo

Richiedere chiave API

Per richiedere una chiave API per il meteo è necessario accedere al servizio: [World Weather Online](#)

Una volta fatto accesso, è necessario iscriversi al servizio premendo il pulsante indicato qua sotto:

The screenshot shows the World Weather Online website. The header includes the logo and a navigation bar with links: My Account, APIs, Pricing, Getting started, Docs, API explorer, Terms, and Contact. The main content area is divided into three columns. The first column, titled 'FREE API', lists various API services and their features, including a 'SIGN UP NOW FOR FREE' button at the bottom, which is circled in red. The second column, titled 'PREMIUM API', lists similar services but with more extensive features and a 'TRY FREE FOR 60 DAYS' button. The third column, titled 'GET STARTED', provides a list of links for users to find resources, including 'Free vs. Premium', 'Pricing', 'Free API Explorer', 'Premium API Explorer', 'Documentation', 'Code Examples', 'Weather Icons and Lookup Codes', 'FAQ', 'Free API Terms of Use', 'API Terms and Conditions', 'Blog', 'WorldWeatherOnline.com', and 'Contact Us'. At the bottom of the 'GET STARTED' column are social media links for Twitter, Facebook, and Google+.

Dopo aver compilato i vari form proposti da [World Weather Online](#) è necessario:

- **convalidare l'indirizzo mail** configurato
- richiedere una nuova **chiave API** gratuita premendo il pulsante indicato qua sotto:
